

LOWDER

# LOWDER FAMILY RESEARCH 1994

Most of the additions and corrections to family data this year pertained to descendants of Louella Lowder, daughter of William Madison Lowder, who was married three times. First, she married Orville Shope on 1 JUL 1891. They had seven children. After his death around 1904, she married Joseph Holsinger, a Civil War veteran, who was in his 60's. They had 4 children but only one, William McKinley Holsinger, lived beyond infancy. The other three, Theodore Roosevelt Holsinger, George Washington Holsinger, and James Garfield Holsinger died when less than one year old. Family members have reported that these children received very poor care and were malnourished and received no medical care. Perhaps Joseph could not afford more on his Civil War pension. William was raised by other members of the family. A daughter of William, Ruth Mae (Holsinger) Wilkins sent what information she could remember about the family although she had lived in Virginia for a long time. Mark Holsinger, her nephew from Ohio, sent similar information. Both versions matched!

The wife of Donald Leroy Crum, Phyllis, contacted me about the Crum family. Donald's mother, Ada Shope, married Howard Landon (Harris) Crum. Howard's birth name was Howard Harris but between the 1900 and 1910 censuses he changed his last name to Crum. He was raised by a Crum family. I sent Phyllis a descendant list for Louella Lowder and her husbands to use as a worksheet. She is in the process of talking to other members of the family so that the Crum family data can become more current.

Louella's family is one of the more difficult to follow. In several instances, because of death or divorce, children were raised by other than their parents. Sometimes they took the surname of those that raised them. But between Mark, Ruth, and Phyllis, I think Louells's family can be updated correctly.

If you did not attend the Annual Lowder Reunion at the Granny Thomas Cemetery in Lewis Co., KY, you missed a very good time. About 70 attended this year and about ten visited for the first time. William "Oscar" Lowder is really promoting this gathering so maybe it can grow or at least maintain its current level. Everyone certainly enjoyed it!

I had printed several copies of the WILLIAM MADISON FAMILY OF GREENUP CO., KY "book" and they were given away quickly. Several others asked for copies to be mailed to them and that was done when I got home. Next year I will have to have an even larger number to distribute.
